

## March 2024 Update

The Prayer Ministry is excited to be offering The Week of Guided Prayer again this year in just a few short weeks. Those who have been involved in the past will attest to what a great experience it has been.

**The Week of Guided Prayer is changing its name.** We are transitioning it to be referred to as a **Guided Prayer Retreat**. The new name gives a clearer picture for what we are offering. This year for the first time you will be able to experience a Guided Prayer Retreat over One Week or over One Month. Pick which one works best for your lifestyle. Click on the picture to see what it's all about, when we start, and how it unfolds.

**REGISTRATION OPENS MARCH 10, 2024: TWO WAYS: 1. [Online](#)**  
**2. Registration forms at the Registration Table in the church lobby**

There are many ways you can contact us with your prayer requests and praises. You can contact us via the church's website or directly to us at [prayer@mountainviewcrc.org](mailto:prayer@mountainviewcrc.org). You can also contact us personally via the Bridge App or Directory.

The confidentiality of your prayer request is up to you. We have a group of three people for extremely confidential prayers, and our prayer partners through our E-blast prayer chain are also confidential. You also have the option of sharing your prayers through the Church Family in the weekly bulletin and the Bridge App.

You also have the opportunity to join our monthly Prayer Walks led by Jane DeVisser. Details are available in our monthly newsletter.

Intimacy with God is always the result of a committed prayer life.

Blessings,
